

CHARLOTTE WILLIAMS

Registered Veterinary Nurse

ABOUT ME?

I qualified as a Veterinary Nurse in 2008 and have been working in the veterinary industry for 15 years.

I was born and raised in Dubai in the Middle East which is where I met my husband, Ross. We have been together for 19 years and have 2 children, Phoenix and Zachary. We also have 2 Miniature Dachshunds and 2 cats.

In my spare time I am a keen runner and have already participated in a number of 10km events and a Tough Mudder this year. I have signed up to run in the Folkestone half marathon in September. As a family we like to be outdoors and spend time kayaking and camping.

We are relocating to Alkham from Bedfordshire to be closer to family, friends and the sea. Having lived by the beach for a large part of our lives we would like the same for our children.

I would be grateful if you would consider me for any part time work (I am available Mondays- Thursdays) in the future.
